Equipment Loan application form

Applicant:		
Full Contact Info		
Band:	<input type="radio"/> 5.6 GHz <input type="radio"/> 10 GHz <input type="radio"/> 24 GHz <input type="radio"/> 76 GHz	Reason:
Please mark which equipment you are applying for		
Transverter Description	<p>A description of each loan set of equipment is available on the UK Microwave web site - http://www.microwavers.org/?hw.htm</p> <p>The borrower must ensure he is familiar with the relevant document before applying for the loan of equipment.</p>	
WARNINGS!	<p>Each equipment description includes specific transmit drive levels for that equipment.</p> <p>UNDER NO CIRCUMSTANCES, INCLUDING TRANSIENT, SHOULD THESE BE EXCEEDED!</p> <p>Some bands are provided with connectors for the recommended driver rig – eg FT817 and may be supplied with appropriate connectors and leads. Should you decide to use a different driver rig, DO NOT REMOVE OR REPLACE ANY OF THE CONNECTING LEADS, PLUGS, SOCKETS ETC.</p> <p>YOU ARE RESPONSIBLE FOR MAKING UP A SUITABLE ADAPTOR</p>	
<p><i>While I understand that the equipment is insured for damage, I certify that I will follow the instructions above, keep the equipment in good condition, and return it promptly at the request of any UKuG Comittee member.</i></p>		
Date:	Signature:	
UKuG Approval: Yes / No	UKuG Comments:	

Should you need assistance in using the transverter contact John Worsnop G4BAO, by e-mail (treasurer@microwavers.org)
