Main changes from 2007 calendar

- 1 Winter Contests, May 3.4GHz contest, and Autumn Cumulatives discontinued due to low support
- 2 24GHz Cumulatives included with 5.7/10GHz as capabilities extend beyond LOS and more home stations are active
- 3 New 47/76GHz Cumulatives (3 events) aligned with major multiband contests
- 4 Calendar includes all RSGB contests with a microwave element
- 5 Improved alignment of contests and activity days with French activity days
